

FACTSHEET

WELCOME... TO A BEAUTIFUL RESORT LOCATED ON THE WEST COAST OF THE EXOTIC ISLAND OF ZANZIBAR.

Driving into Sea Cliff Resort & Spa you know you have found something special. The 4 km road through a coconut plantation that leads to the hotel is a reminder of the Zanzibar of old. Peace and tranquility, no other hotels or busy roads, just open space and palm trees. With our traditional makuti roofs and Arabic towers lit by brass lights, the hotel was built with our location in mind. It is a unique combination of modern facilities mixed with the original exotic architecture of historical Zanzibar.

The 120 room luxury resort is situated on a cliff overlooking the Indian Ocean in Mangwapani and offers panoramic views from the lounge, restaurant, bar and recreational area. Both infinity swimming pools have wonderful views of the ocean. There is also a jetty bar that offers the perfect place from which to enjoy a sundowner, or you could sail on our dhow and watch the beautiful sunsets that the West coast of Zanzibar is famous for.

96 of our rooms offer panoramic ocean views from the bedrooms and private balconies, with all the modern facilities that you expect from a international hotel, including iPod docking stations and wireless internet.

The resort offers a number of activities for the energetic, including a fully equipped gym, two tennis courts, a volleyball

court, a squash court and bicycles for rides through the coconut plantation. There is also a water sports centre offering a wide range of activities including water skiing, sailing and more. All non-motorized water sports are free to hotel guests.

For guests wanting to relax and be pampered, we have the Shwari Spa. With five treatment rooms offering a range of treatments including manicures, pedicures, facials and massages by our Thai therapists. The spa has two steam rooms and saunas so you can truly enjoy your spa experience. After your treatment you can take a swim in the spa's private pool or sit and enjoy a cup of herbal tea in our spa gardens.

The resort also has a full time children's centre supervised by professional child minders, offering Sony PlayStations and arts and crafts to name a few.

The resorts convenient location makes it the perfect base from which to explore the world heritage site of Stone Town.
